ABOUT US

Founded by visionary entrepreneur Zeno Rizzo, **MGR Casino Chairs** is a family-owned Italian brand that has transformed craftsmanship into a global benchmark for luxury casino seating. Today his sons – Guido, Giovanni, Giacomo and Giorgio – lead the brand, blending innovation and bespoke design to serve the world's most demanding gaming floors.

Every chair is engineered for lasting comfort and tailored like a suit, with meticulous attention to every line, stitch and finish. A true *Made in Italy* statement for partners who want both style and a brand they can trust.

MGR

CASINO CHAIRS

for

FONTAINEBLEAU
LAS VEGAS

MGR Casino Chairs is the first official supplier of slot and table gaming chairs for the iconic Fontainebleau Las Vegas. High-end finishes, premium materials and modern yet classy shapes are the main features of the capsule collection created for Fontainebleau Las Vegas.

The **MGR Casino Chairs** team worked tirelessly to create signature models that are durable and beautiful with studied details.

MGR

CASINO CHAIRS

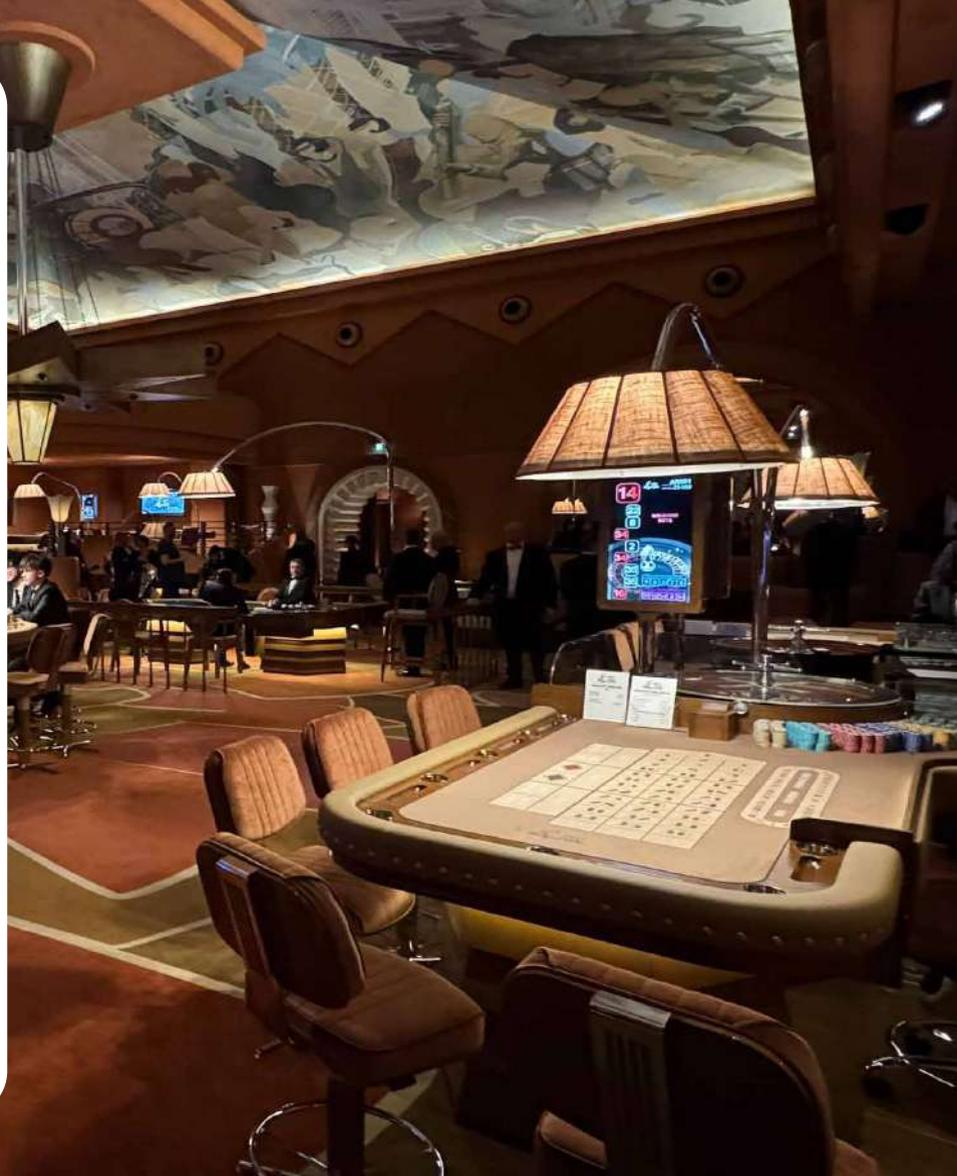

for

PALM BEACH

CANNES ♦ 1928

Based on a concept developed by *Caprini & Pellerin*, **MGR Casino Chairs** created a series of casino chairs that are the perfect mix of beauty and functionality.

Retro accents and cutting-edge technological solutions come together to give life to a collection of exclusive seating solutions featuring elegant lines and sophisticated materials.

FABRIC AND EMBROIDERY

TECHNICAL MATERIAL

ECO-LEATHER

MICROFIBER

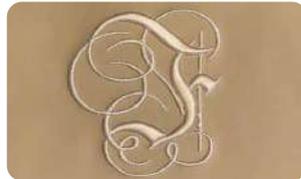

VELVET

REAL LEATHER

DECORATIVE

Leather, velvet, microfiber and technical antibacterial fabrics are only a few of the hundreds of options available. You can go for a classy and timeless choice like leather or velvet or you can go for an high-tech solution with hypoallergenic or fireproof fabric. For a high level of endurance.

Embroider your logo on the front or back of your seating. Personalize your chair with your unique signature.

MGR Casino Chairs presents Storm®, the new e-sports equipment label. Storm® e-sports chairs are Made in Italy and guarantee the highest level of performance during long gaming sessions. Embroidered leather, printed microfiber, and highly ergonomic seating with adjustable height are just a few of the many technical features that make this product highly advanced.

TRADE SHOW

CERTIFICATIONS

Our seating for slot machines and casinos are crafted to be durable despite continuous use. Just like cars in crash tests, our seating undergo rigorous endurance and reliability tests. We test our products over extended periods to ensure the highest level of durability. Our commitment to a tested and proven process has earned **MGR Casino Chairs** the worldwide reputation of superior quality maker.
